Good Morning!

Jo Ann is in the office today (out the rest of the week) and I talked to her about the issue. Normally, we get one final cost and close-out report for our records but we have two Discs here. I will review them today and will in-file in SDMS if it's available. Still no sign of hard copies – turns out we normally keep those here too. JoAnn said not to be concerned.

See e-mail trail below regarding the disposal report for CES. I received my digital copies of the report this afternoon – but don't see any sign of your copies – Latrice – do you get the hard copy? I will be out of the office for the rest of the week beginning tomorrow, so I will try to track these down when I get back next week. I'll be sending to SDMS for in-filing as soon as that part of SEMS is back up and running. Have a great holiday!!!
